Dear Parent:

Solomon Schechter School, in collaboration with the Hartt School Community Division, is pleased to announce a new Instrumental Music Program that will be accepting students for September enrollment with an option for Summer on the University of Hartford Campus. The program for next year will include instruction on most Band instruments.

Your child has had an opportunity to attend a demonstration of the instruments that will be offered. If you have questions, please call me at 860-561-0700.

It is important for you and your child to know that learning to play an instrument will require a daily practice commitment of from 15 to 30 minutes. In other words, 20 to 30 minutes of practice will be required every day if a student is to be successful.

Please discuss participation with your child and return the lower portion of this letter by Wednesday, April 20, 2011. Earlier returns will help the process along and are appreciated. The Hartt School Community Division will contact you for registration and scheduling. Again, if you have any questions, please feel free to call me at school at 860-561-0700.

Sincerely,

Valerie Sussman

Please return the lower portion of this letter.
