Parparim's **Avi!** When there is a friend in need or work to be done, Avi is your guy. In the classroom you will find Avi helping a friend with word study math or reading Hebrew. He loves to help during *T'filah* and when saying the *Birkat Hamazon*. Soon he will be leading the *Kidush* at *Kabbalat Shabbat*. In the lunchroom, he works the compost and garbage station, caring deeply about where everything goes and helping every student get it right. Also, his teachers share that he **LOVES** to learn!

February Writer and Artist of the Month!

Writer of the Month, **Asher**, is a 3rd grade Rimonim student who wrote an opinion piece about Amtrak and Acela.

Asher had recently finished an opinion and persuasive writing unit in class and used these skills to convince his parents to take a train ride into New York City. Asher has submitted multiple pieces since the Magical Mailbox was placed in the front lobby. Asher was very excited to receive this honor and yes, he did get to go to NYC by train!

Artist of the Month, **Noam**, a first year Geshet student, is a talented, thoughtful, and meticulous artist. His latest work, inspired by Jasper Johns, is an abstracted target with a mixed media checkerboard background (oil pastel, watercolor pencils, watercolor, and Sharpie). Noam's talent is apparent in his thoughtful vision and planning for his artwork and execution. Noam took time to create this work and worked efficiently and thoughtfully to have balance and a layered composition for the viewer to enjoy and

interpret.
