Schechter graduate **Noah Sobel-Pressman** (class of 2013)! Do you ever wonder what kinds of things Schechter grads do after they leave our hallways? Noah, a Business major with a Chinese minor studying in the Honors Program at University of Connecticut, was recently featured in a video by UConn,

highlighting his experiences as a Techstars Accelerator Intern at Stanley Black & Decker. Noah's passion in entrepreneurship, innovation, and Venture Capital was in full bloom last year when, as a sophomore and a Werth Innovator at UConn's Werth Institute, he helped promote and facilitate a program for innovative startups called [Get Seeded](#).

Rimonim Marks Transition to Total Hebrew

On Friday, the students of **Rimonim** took an oath to speak only Hebrew on Adi's side of the room. After signing their names in Hebrew on the pledge, each student received a ring that held two keys and a beautiful graphic reminding them to speak Hebrew, now that they have the "keys" to the language. The Rimonim Hebrew adventure has begun. *Mazal tov* to all of our students and their fantastic teachers!

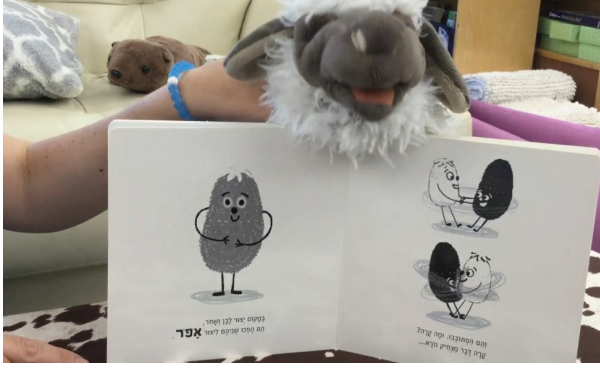

Schechter welcomes another family to our community...

Hebrew Bedtime Stories: Launching Every Wednesday @ 5pm on FB!

A new initiative was rolled out last Wednesday by Schechter's amazing Hebrew teachers! Each Wednesday evening at 5pm, we will release a video of the teachers reading a different Hebrew Bedtime Story for anyone to listen to and enjoy. The stories are entirely in Hebrew and are a great way for your child to continue

learning Hebrew vocabulary. Check out our first video by clicking the box below!

The Schechter PA and Administrative Team put together a wonderful event to kick off the new school year! Almost 200 people joined us for a festive Kabbalat Shabbat service led by Jason Kay and Rabbi Bekah of Farmington Valley Jewish Congregation ... delicious BBQ prepared by our many helpers. Over 20 volunteers pitched in to make the event a success!
