### #SchechterPride in...

**Gavi Lehrer**, Parparim teacher and Schechter alumna, who just completed her second summer in a rigorous teacher leadership program at Brandeis, will continue at Brandeis to obtain a Masters in Education. We are already benefiting from the work she began with our faculty: last year, Gavi spearheaded professional learning communities and peer observations among faculty members, in which Schechter faculty provide important feedback and support to one another as each professional hones his/her teaching craft.

### Building Traditions

On Monday, we welcomed back all Schechter students with applause as they walked into school and a day of fun, getting to know each other, community building, routine setting and careful thinking about *Lev Tov* (Kind Heart). Everyone gathered in the Beit, at the end of the day to get to know the teachers, celebrate the graduating class (*Bogrim*) and sing "One Day"

together. Then a new tradition was born...each class stood under a *tallit* held by its teachers as Rabbi Chatinover blessed our students and the year ahead.
