#SchechterPride in....

the **Schechter World Dance troupe!** These dancers meet each week after school, learning choreography that comes from all around the world! Dances in their December performance originated from Japan (Bon Oduri festival dance, "Intro" - with parasols - and "Minor's Daughter" dance - with parasol and ribbon) and Hawaii ("Koa" dance using oars). In

addition to learning the steps from around the world, the students also learn new things about other cultures and practices.

Hanukah Fun with the Israeli Emissaries!

Our fantastic emissaries from Israel, Michal and Shaked, brought a new twist to Schechter's celebration of Hanukah this year! Students made creative Hanukiyot out of recycled materials. An afternoon of fun and educational activities, led by the emissaries and run with the help of the middle school students, was a great way to kick off winter vacation!

Middle School Heads to the Skating Rink

A favorite Middle School tradition continues... walking over to the Ice Rink on the last day before vacation! Even Shaked and Michal got in on the fun!
