

**Dear Alim Families,**

**We are so excited to welcome you into our classroom this fall and be your teachers! Merissa loves to go for walks outside, bake tasty treats, play with her three boys and collect all things frogs. She cannot wait to return to school at the end of the summer after spending the end of the school year on maternity leave at home with her son Jayden. Limor is a fantastic ice skater, talented baker, and loves horses and dogs. She is looking forward to being back with 3rd and 4th graders and teaching younger students once again. We know that you will have such a fun year with us full of exciting projects, group activities, and learning topics that you are really interested in! We are thrilled that you will be the oldest class in the elementary school and know that you will be phenomenal leaders for the younger students. We hope you have fun this summer and enjoy playing in the sun! We can't wait to see you in August!**

**From your teachers,  
Merissa and Limor**
