

Re-Application of Sunscreen Permission

Childs Name: _____

Today's Date: _____

2020-2021 School year

This year Early Childhood will be increasing outside learning and activities. Please apply sunscreen daily to your children prior to arriving at school. By signing this permission slip AND bringing in a designated (non-aerosolized) bottle of sunscreen the staff will be able to reapply as needed. As with any topical medication or cream, the first application of any brand of sunscreen should be applied at home in order to evaluate your child's possible allergic reaction to that product. It is parental responsibility to apply in the morning sunscreen prior to arrival as needed.
